

Newham Court.  
Cambridge.  
27. 9. 64.

My Dear Dr. Chrysauder.

I have seen the photographs  
about the plates and you see from the enclosed what he  
says.

She asked for 4 things -

- 1<sup>st</sup> Four <sup>MS</sup> pages to be photographed
- 2<sup>nd</sup> Two copies only to be made of each <sup>MS</sup> page, and they to be of the same size as the MS page
- 3<sup>rd</sup> That the negatives of each page be sent to Dr. Chrysauder.
- 4<sup>th</sup> - That the two copies, (of each page) be also

Sent to Dr Chrysander.

For this he says £6.6.0 - Modest/very.

The best thing I can do will be to get another estimate from another artist - these are thus equally good in Cambridge.

I was right in saying that you wanted the negative. Am I not?

Also that you wanted 2 copies of each negative.  
also that both negatives (4) and copies (8:  
12 in all) were to be sent to you.

I hope this catches you before you leave England.

Good bye. & Come again soon -

Yours as ever.

A. H. Mann.

Tell me what to do.
