March 22^d

Dear Sir

Receive my best thanks
for the loan of the "private use"
book of George 2^d. I will peruse
it with great interest.

Bad weather with bad health
prevented me to call upon you
as I intended. I was sorry
to not be able to see when
you called last Sunday. I wish
to remember, that on Sunday,
it is very very seldom, when I
am not engaged after 3 O'Clock.

Yours very truly
W. Schuchert
