Dear Sir

I could not answer yesterday  
your letter received in the Evening  
because I was out

As I have seen ~~not~~  
Goldsmith only once I have  
objection to ask him ~~what~~  
you wish, it should look  
as a sort of reward for  
the loss of the score. But  
you can write to him, sending  
your proof copied stating  
how I am

any time will do.

Dear Sir

If you are at liberty  
this eve or to morrow evening,  
any time after 7 o'c, and  
kind enough to call upon  
me, I shall be glad to see  
you and talk over the  
MS. matter more fully  
than we could do when  
I saw you the day before  
yesterday, yours very sincerely

~~in which Handel's Remains are preserved~~ and deeming  
the work of so celebrated a Musician <sup>of</sup> ~~of~~ national importance  
Handel having <sup>famous</sup> lived & written nearly all of his  
greatest inspirations in Brook Street <sup>London</sup> induces  
me to trouble you with the present application  
in the hope that her Majesty's Government may  
deem ~~the~~ <sup>it</sup> valuable & a collection worthy of a

The sum named by Mr Schabert is  
one thousand Guineas — <sup>for the 127 Volumes</sup> ~~the~~ ~~Collection~~

in the habit to let you  
have my handclap score, that  
I said Hallegre was watching  
and as you are anxious to  
publish the art before the  
performance you ask him etc.

He <sup>wrote</sup> ~~said~~ he will return  
the score the day after the  
performance, but of course  
I cannot guarantee he will  
do so.

I hope you will under-  
stand my feeling and I remain  
yours etc
