Dear Sir

I received the Metzler Music  
and was perfectly satisfied  
with it. Many thanks for your  
trouble.

May do not have the cover  
of the book repaired. I don't  
care at all about the cover as  
I intend one day to have all  
these books speaking of Handel  
bound uniformly.

Yours very sincerely  
A. H. H. H.

Dear Sir

You told me long time ago  
that you found the same  
Palms attributed to Handel  
in William's Library 1899.

Have you the book? If so, could  
you tell me what is the date?  
In that case what is the name?

Nothing you are well?  
I am yours very sincerely  
A. H. H. H.

Palms by J. J. H. H. H.  
Can you tell me what is the date of  
selection of Palms by Leopoldo  
Colleone of gold and new Italian times for  
Barrows? Palms and Hymns by Tallis?

Dear Sir

I find them No. 99 and  
109 of Peter and 9 series  
on the whole of the

book and my answer, which  
if believe you read long  
time ago. Since I do not

know what contains the  
No. mentioned by Mr. H. H. H.

Dear Sir

Dear Sir

I was glad to receive the parcel  
of Music yesterday. For not hearing  
of you I feared you had not had  
received my last letter. One of the  
25 pieces is H. H. H. H. which I  
have already and 13 out of the last  
parcel.

I hope we shall settle the other  
things by exchange otherwise I would  
be a bankrupt.

In the parcel you will find all  
your catalogues. Many thanks  
for them. I add a little which  
I am glad to think you will judge  
very acceptable, as is the hand book  
of

Dear Sir

I have already my last parcel  
but I do not know if I remember  
them and I have had the  
young. I will feel obliged to  
you for the sending of the book  
in order to have them for me.

I think there is a 2 to you  
to all the Palms which I had  
to be made by my other of the  
book of Palms. The question is  
to know how to ascertain these  
authenticity.

I will have my name

2. an old one  
very much as before.  
all that.

Yours very sincerely
