

Do not forget, if the sale  
was taking place by chance  
to-morrow; to buy for me  
the 3<sup>rd</sup> vol of the Handbooks  
I am ready to give £2 for  
each of them if not by  
the time that is yours.

I answered two or three  
days ago about your good  
music concert. I hope you  
had my letter.

time between France  
and Italy about the  
French and the Italian Music  
and there is no doubt that  
these French songs are  
increased in size by Handel  
on the French style, for  
you can see that ~~they are~~  
~~more French~~ their music  
is more French than Italian  
or organ. Nothing escaped  
the attention of the great  
man who was then very  
young for these songs  
were written during his

first visit to Italy from 1707  
to 1709.

I received the book sent  
for which I thank you.

I will see you next week  
Will you be kind enough to  
buy for me the Illustrated  
London News ~~and~~ in which  
was the intended Italian  
of Handel for Halle?

very sincerely
